

[illegible]

Technical drawing of a road layout. The drawing features a central road intersection with various colored lines and annotations. A pink dashed line runs diagonally across the top left. A blue dashed line runs diagonally across the bottom right. An orange line runs horizontally across the middle. A green dashed line runs vertically on the right side. The drawing includes numerous numerical annotations, including '1000' and '100' in pink, '1000' and '100' in blue, '1000' and '100' in orange, and '1000' and '100' in green. There are also various symbols like crosses, circles, and triangles. The drawing is oriented vertically on the page.
